A Few Miles on the Pacific Crest Trail (Three Points to Sulphur Springs Campground) August 21, 1996, 9:30 AM

Trailhead Directions

Drive North on Highway 2 (Angeles Crest Highway) from the 210 Freeway past the junction at Clear Creek information center to Sulphur Springs Road (Three Points) at Mile paddle 52.85, about 2.5 miles past the Chilao Visitor Center turnoff. Turn left and proceed a short distance up Sulphur Springs road to the paved parking lot where we will meet for a 9:30 departure. There is a restroom at the parking lot.

The Hike

This was Dave's hike almost 2 years ago. I remember there being shade on much of the hike, so since we start at almost 6000 feet elevation and arrive at the camp at 5200 feet elevation, maybe it won't be too hot. The trail marker at the start of our hike says 4 miles to Sulphur Springs, the map shows about 3.5, so our hike will be between 7 and 8 miles. We drop about 800 feet elevation going to the campground, but then we have to go back up to get to our cars.

Cookies (from the kitchen of Patricia) will be supplied at an appropriate break on the trail. Refreshments will be provided at the conclusion.
