## **SWITZER'S TO RED BOX AND RETURN**

September 7, 2005

Hike leader: Vicky Ritter

Distance: 8 miles

Elevation: 1400 ft.

Directions to the trailhead: Drive up Angeles Crest Highway, SR-2, about 9.4 miles from the 1-210- Freeway. Turn right into the road to Switzer's. Continue down to the parking area. An Adventure Pass is required for parking.

The hike:

The hike will be on a trail that roughly follows the stream up to Red Box. We will have lunch at Red Box then return by the same trail. The trail is a nearly fully shaded good trail with many scenic views.

This is one of my favorite hikes, I borrowed it from George Thomas, and in this hike George reached Red Box ahead of me, and he doesn't let me forget it.
