Twin Peaks

June 25, 2008

Leader: Alice Weiss

Remember Last June. Well let's try it again.

Drive Angeles Crest Highway to Three Points Junction, 2.4 miles beyond (north of) Chilao.

Parking is on the left side of the highway.

The trail leaves the parking area starting behind the outhouse, and downhill toward the highway. We walk across the highway and pick up the trail, now going up and up and up, in fact going up as far as you want to go. When you've decided that enough is enough, turn around and head back to the parking lot and refreshments.

Hike distance is up to 8 miles, ----if that's what you want to do, and approximately. 1500 feet elevation gain.
